

2009 - 2010 Youth Soccer Program *Junior Development*

The Youth Soccer Program provides educational and developmental training for our players,
ages 5 - 10, boys and girls.

Mequon Soccer Club believes in developing players from the youngest age in an environment in which the joy of soccer is promoted through skill development while nurturing the appreciation and understanding of the game of soccer. Proper technique promotes a greater appreciation for the game, which leads to greater fun and enthusiasm.

This vision is met through the combined efforts of certified licensed coaches and parent volunteer coaches under the direction of the Junior Development Technical Director. Through professionally organized skills clinics using the newest development methods both player and parent coach will incorporate learned skills into practices and game play. This method helps young players naturally advance their skills and increase their confidence during the year by providing a level of competition fitting the players current skill level.

Teams will be formed by means of an alignment system. Open skills evaluation clinics will be held in May for all players new to Mequon Soccer Club. Players currently involved in the Club will have their skills evaluated during the course of the Spring 2009 season. The evaluation and alignment process is solely for the purpose of compiling teams equal in ability and skill development as possible, therefore player/team placement requests will not be entertained.

Teams will participate in the Mequon Soccer Club Junior In-House League or Ozaukee League.

Games will be played at Rotary Park or within the greater Ozaukee area.

Games will be scheduled for Saturdays and/or Sundays.

Every effort will be made with game scheduling, not to have boys soccer games conflict with flag football schedules.

Players displaying a higher level of competition and commitment may be considered for our Academy Team. Additional information may be found in the Programs section of the Club website at mequonsoccerclub.com.

Junior Program Fee is \$325

The Junior Developmental Program fee includes Fall 2009 and Spring 2010 seasons.

	Birthdate	To	Birthdate	New Player Skills Evaluation	
U5	8/1/2004	To	7/31/2005	<p>Thursday, May 28, 2009</p> <p>5:00 - 6:15pm</p> <p>U5/U6 U7/U8 U9/U10</p> <p>Rotary Park</p> <p><i>Current U5/U6, U7/U8, and U9/U10 Mequon Soccer Club players need not attend .</i></p>
